Don't Trash It – Fix It! Ramsey County Hosts Free Monthly Fix-It Clinics

Have broken stuff lying around? Don't trash it – fix it! Every month, Ramsey County holds a free Fix-it Clinic at various locations throughout the county. Fix-it Clinics are great community-based events where you can bring in broken items, like small household appliances, clothing and electronics. Volunteer "Fixers" will work with you to disassemble, troubleshoot and repair your items for free.

Fix-it Clinics not only support reuse options, they also provide an opportunity to learn valuable repair skills and connect with the community.

To make the most of your visit:

- Bring easy-to-carry items. No oversized items are allowed.
- Bring any parts, tools or owner's manuals you think may be helpful to repair your item.
- Learn from your Fixer! Ask questions and be an active participant in the repair process.
- Be patient. Clinics can get busy, with some repairs taking longer than expected.
